# Welcome

School District 42 serves the cities of Maple Ridge and Pitt Meadows: safe, family-oriented communities situated just 45 minutes east of Vancouver.

Nestled between the Thompson Mountain Range and the mighty Fraser River, the area has a population of approximately 100,000. There are activities for all interests here, from hiking trails and ski areas, to multi-plex movie theaters, libraries, recreation centres, watersports and outdoor sports fields.

We welcome international students from Elementary through Secondary School age, and fully immerse them in school alongside their Canadian peers. This immersion allows students to not only improve their English language proficiency, but also make new lifelong friends, and experience a Canadian education and the Canadian culture.

## Why Choose Us?

### High Achievement

Our graduates go on to study at post-secondary institutions such as McGill University, University of Toronto and University of B.C. amongst others.

### Academic Options

Our schools offer a wide range of programs from International Baccalaureate, advanced placement, independent studies, sports and arts academies.

### Our Schools

6 Secondary Schools offer a wide variety of programs, electives, sports, and clubs. 21 elementary schools welcome students from Kindergarten to grade 7.

### Student Support

All schools provide ELL support, and Secondary Schools have an International Liaison teacher who oversees the student's academic progress. Secondary students are offered optional monthly activities that include skiing, hockey games and a Victoria trip.

### Our Community

Welcoming, inclusive community nestled at the foot of the Thompson Mountain Range.

### Our Homestays

Our experienced families welcome students into their homes as another family member.

*"I would like to personally welcome students of all nationalities to study in our schools. Our teachers and staff are committed to educating students to their full potential and our host families are inclusive of international students."*

**Sylvia Russell**

Superintendent of Schools, SD42

Soccer, Cross Country, Volleyball, Basketball, Track & Field, Rugby, Golf, Wrestling, Field Hockey (g), Badminton

## Clubs

Book Club, Ski & Snowboard Club, Christian Club, Games Club, Fitness Club, Fly Fishing Club

## Special Programs

The **Soccer Academy** (extra fee applies) offers unique soccer-specific courses at Grade 8 to 12 levels. In-class learning includes instruction in fitness, nutrition, strength training, sport philosophy, goal setting, time management, leadership skills, coaching philosophies, and laws of the game. On the field, students focus on individual skill development and game principals.

The **Microsoft IT Academy** (ITA) program provides students with industry-leading technology skills to help bridge the skills gap. Students receive a digital curriculum and multi-level Microsoft certifications, ranging from Specialist to Expert to Master.

The **Basketball Academy** (extra fee applies) offers students in grades 8 to 12 instruction in coaching, officiating, first aid, and sports training, including the opportunity to receive certification through the National Coaching Certification Program. On court sessions focus on physical literacy and fundamental movement skills, athletic skills guided by Canada Basketball's Long-Term Athlete Development model, and basketball specific skills. Basketball instruction is augmented with classroom theory sessions, strength and conditioning classes, and guest speakers.

# Homestay

---

Our homestay department and host families are an important part of our program, hosting students for more than 20 years. International students choosing our school district's homestay program will feel welcome, safe and secure.

Our homestay staff carefully interview each family and visit their home to ensure that they meet our strict standards. Host families receive regular training from our experienced and multicultural homestay coordinators who are dedicated to supporting our students.

We place students with caring and engaging Canadian families. Living with a host family allows students to focus on their studies, develop their English proficiency and adjust to Canadian culture. Our host families reflect the multicultural diversity of Canadian society and provide students with a valuable experience living in a diverse setting.

# Student Life

---

International students are encouraged to get involved in school life by participating in school activities.

Maple Ridge-Pitt Meadows secondary schools offer clubs, activities and sports, ranging from art, band, choir and guitar to soccer, basketball, robotics and theatre. There is something for everyone at all of our schools.

Each school year, students enrolled in the Maple Ridge – Pitt Meadows International Program have the choice to enroll in tour activities such as visiting Victoria, the Rocky Mountains, and Whistler Mountain. These trips are supervised by trained school district staff to ensure the students have memorable and safe experiences.

Becoming involved helps students to make connections with Canadian students and create memories that will last a lifetime

# Summer Cultural Experience

Our Summer Cultural Program is for international students aged 13 - 18 who want to practice their English speaking and experience the best of Canadian culture during their summer holidays.

Classes are designed to improve English through group activities, lessons on Canadian culture and local activities. Students will also be able to participate in fun local excursions, while living with a Canadian host family and experiencing the Canadian culture and our West Coast outdoor lifestyle.

## Sample Schedule

**Mon - Thurs:** AM class / PM excursion

**Fri:** Full day excursion

**Sat - Sun:** Time with host family

# Pre-Academic Summer Program

Our Pre-Academic Summer Program is designed to prepare students for their long term studies in Canada while experiencing the best of Canadian culture.

Students will be oriented to different aspects of Canadian culture and also focus on enhancing English ability.

- Learn about Canadian history, culture and your local community
- Develop skills such as critical thinking, public speaking, writing, vocabulary and group discussion
- Participate in fun local excursions with a focus on Canadian culture
- Live with a Canadian host family

## Sample Schedule

**Mon - Fri:** AM class / PM excursion

**Sat - Sun:** Time with host family

\* Program typically starts 2nd week of August. Contact us for specific start dates. Schedule may be adjusted to accomodate venue availability and group size.
